

LCMSPASTOR.COM

We spend so much time in seminary, personal study, and daily ministry researching and writing, it seems a shame to just put everything in cardboard boxes or our hard drives when other confessional pastors can benefit from it, so I decided to put this site together as a grand receptacle. You can add your stuff to this site, thus helping out your fellow pastors.

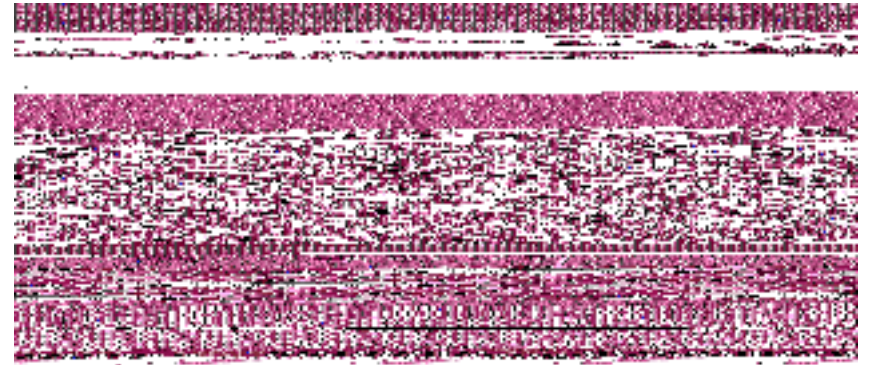

LCMSPastor.com is run by Rev. Dale Critchley and operates solely on donations. All resources hosted by LCMSPastor.com are free, and all donations are used for site expenses and expansion.

Resources include:

Exegetical	Practical	Confirmation
Congregational Website Resources	Sermons & Homiletics	The Mustard House Project
Systematic	Liturgies	Other
Historical	Hymns	Newsletter Articles
Martin's House: for pastors and their families	Parish Education Resources	Artwork

Also available: E-mail lists: Our most popular is LPT: Lutheran Pastoral Theology: A forum for discussing pastoral questions. "Has anyone ever had a situation like this...what would you do?"

We also offer Palm handheld resources, webmail, and other services, and the site is constantly growing in both content and services, all free. I hope you will benefit and even contribute your own.
