

Session 2: How not to share your faith

- 7 What formulae have you learned? What reaction have you received? Has anyone used a scripted “sales pitch” on you? How did you react?
- 8 What behaviors do you tend to focus on instead of faith in Christ?
- 9 When are you most likely to get divisive or confrontational?
- 10 What traps do you fall into during or leading up to arguments?
- 11 What is keeping people from asking you for the reason for the hope within you?
- 12 If someone asks you, “What do you believe,” how would you answer?
- 13 What jargon do you use? What words would make more sense to the rest of the world?

Homework

3. Watch for opportunities to argue in your social spaces. Respond using what you learned here. Afterward, write a few sentences describing the interaction.
